

RPC - THE ESSENTIAL INGREDIENT

RPC Promens - 10 Litre Container Solutions

Delivering your fill of 10L container solutions

Whatever your packing requirements, RPC Promens has the answer, with three 10 litre container designs to meet the needs of a wide range of products.

All offer the same levels of quality manufacturing and reliable performance, including UN certification, use of food grade material and a choice of colours and decoration

techniques for brand individualisation. A range of neck options is available for different applications and dispensing requirements.

And with our multi-site manufacturing facilities, a fast-response and consistency of supply are assured.
